

WHAT TO EXPECT

ARTS CLUB

Monthly Mediums

There are so many techniques and mediums to discover in art club, and we wanted to fit them all in! Each month will focus on a new material and technique, ensuring that your child spends the year learning and having FUN!

Weekly Take Home Projects

Every time your child comes to class, they will spend their time creating something amazing to bring home! These projects will range from paintings, to sculptures, to gifts for others. Clear a wall in your home, because your artist is about to take over the decor!

Recital Art Show

At this end of the year art show, your child will have an opportunity to display their favorite creation for friends and family to see!
