

WHAT TO EXPECT

Every child learns in their own unique way. Our music instruction is tailored to your child's passions and goals.

Discovery Class

In the first lesson, the instructor will talk with your child to find out their interests, goals for learning music, and how they best learn.

Setting Goals and Progressing

In their weekly lessons, your child will be learning classical techniques and working with their teacher to set goals. Their teacher will give them instruction on how to practice at home to further progress the skills they're learning in their lessons.

Performance Opportunities

Each semester, our music students have the option of performing in the music showcase. This gives them a chance to show off what they have learned for the semester!

Paying for Lessons

Payment is collected once per month. If you need to reschedule your normal lesson time, please contact your instructor. If a make up lesson is not possible, your account will be credited for any missing lessons.
